

IT'S TIME TO START
PREPARING
THE 2024 BUDGET!

With high economic volatility and a challenging and changing dynamic, financial planning becomes one of the **most valuable tools to ensure the sustainability and competitiveness of our organization.**

We invite you to prepare, together with your team, **the 2024 budget**, which will allow us to set priorities, establish short- and long-term objectives, seek efficiencies to optimize the use of resources and make key decisions that contribute to the creation of value for the company, our stakeholders and society.

Keep in mind the following dates for budget planning:

● Opening of loading tools	→ September 4, 2023
● Selling, general and administrative expenses and costs at BPC	→ Through September 29, 2023
● Closing of loads at BPC - PL	→ Through October 20, 2023
● Final upload of non-SAP companies to BPC-CO	→ Through October 20, 2023
● Budget submission to Grupo Argos' Strategic Committee and Board of Directors	→ November 17, 2023

In case you have questions or concerns related to the tool, the upload process or any other information, you can contact the financial team in charge of leading the budget in each region.

**STAY TUNED! WE
