

**WE ARE CARIBBEAN,
WE ARE A WINNING TEAM**

We are so proud!

Our GREEN LIGHT takes flight with the supply of the new Dominica International Airport

Thanks to our value proposal, we were selected as a key supplier for the construction of the **Dominica International Airport**, which is currently in the ground preparation phase

We expect to supply a total of about

200,000

tons of cement throughout the construction phase.

We have supplied more than

7,500

tons of cement from June 2023 to date.

We are very excited to contribute to the building of Dominica's new international airport, one of the most important projects in the island's history. This project will create a wealth of significant opportunities for socio-economic growth for our community. **At Argos Dominica, we are committed to being a reliable partner in this endeavor.**

CURT JAN VIDAL,
Argos' Dominica Terminal Manager.

We expect the airport will be completed and operating by **September 2027**. It will feature a

2,850 - METER

runway, allowing for the landing of large-capacity aircraft on direct flights to North America, Europe and key cities in Asia.

This project marks **the largest contracted project in Dominica's history**, symbolizing a monumental leap forward in the island's development, by boosting tourism, trade, and job creation.

We are profoundly grateful to have been chosen as the primary cement supplier for the construction of Dominica's International Airport. This partnership marks a significant milestone in Dominica's history, and we are honored to play a pivotal role in this historic moment. **The commitment demonstrated by the people of Dominica inspires us to uphold our promise of reliability and excellence in providing top-quality materials for critical infrastructure projects.**

DEON MCCURDY,
Argos' International Trade Advisor.

With our contribution to this project, we reaffirm our commitment to providing top-quality materials for critical infrastructure projects in the territories where we operate. **We will continue working together with the Dominica community to support initiatives that enable the development of sustainable, thriving, and inclusive society.**

SAMUEL ARANGO,

Argos Antilles' General Director.
