Argos' ability to efficiently connect with more than 30 markets demonstrates our commitment to continue strengthening our export trajectory and consolidating our international position by leveraging the competitive advantages of having a presence in diversified markets. We will continue to take concrete steps towards our commitment to deliver extraordinary solutions to our customers without borders.

**Gabriel Ballestas,**  
Trading's General Manager.

In 2022, we launched the port expansion project of our Zona Franca in Cartagena, and since then, we have continued to invest in the materialization of a dream that has allowed us to export products on a larger scale, receive a larger number of ships and more capacity, and continue to serve our borders. In this way, we continue to ratify that the customer is at the core of our decisions.
